Quilting Fellowship

Our Quilting Fellowship meets for Bible study, sharing and quilting on the 2nd and 4th Mondays of each month at 12:30pm.

Come share a traditional art with caring Christian folks! The meeting place varies based on the projects. Please call the church office to determine where we are meeting.

TUESDAY

Men's Devotional Group

Join us as we begin our Tuesday with prayer, fellowship and the study of God's word! Oh, and some great coffee, as well! We gather each week at 6:30am in "The Living Room", Covenant's prayer room, located between rooms 6 and 8.

WEDNESDAY

GIRLFRIENDS Bible Study

Our name, "GIRLFRIENDS", stands for "Getting It Right Learning Scripture friends". This small group meets throughout the school year and participates in a variety of different Biblical studies. Come share with this wonderful group of ladies and enjoy the friendship that God so lovingly provides to each of us as we fellowship, eat and study! This group meets in room 10 at 9:15 each week.

Pastors' Bible Study

All are invited to join the pastors of Covenant Church as we spend time in Bible study, laughter, prayer and conversation. Each Wednesday evening throughout the school year from 6:30-7:25pm we will gather in the fellowship hall. Childcare is available upon request. If you have a Bible, you are invited to bring it. If not, don't worry – we have plenty to share!

FRIDAY

All Pro Dads

Panera Bread (across from the Palladium) is home for this wonderful group of dads, exploring what it means to be Christian fathers and husbands. All men are invited to join in as we begin the day with prayer, fellowship and study of God's Word! *Fridays at 6:30 am*

SUNDAY

Prayer Shawl Ministry

Meeting bi-weekly on Sunday evenings at 5pm in room 8, this ministry is for people of all ages who are interested in crochet and knitting. This group creates prayer shawls to offer to those experiencing difficulties in their life, a symbol of the warmth and love of God that surrounds them. Handmade baby blankets are also made and offered to all new babies born in our church family. No experience is required and supplies are available to get you started on your first project.
