

Ms. Robin teaching Japanese music during music class.

## Weekly Activities

Each week, children participate in a wide range of activities including:

- Music
- Movement
- Science
- Cooking
- Church Chat

*"I have been very impressed with the incredible love and passion shown by the Covenant Kids teachers and staff.*

*Matthew has made tremendous strides academically and socially in the nurturing and stimulating environment provided. I will continue to recommend Covenant Kids Preschool for anyone looking for an exceptional preschool for their child."*  
– Amy H, a preschool parent

## Who We Are

### About Us

Covenant Kids Preschool is a half-day preschool program that provides a nurturing environment in which children grow academically, socially, and spiritually. Learning is discovery oriented, facilitated through small and large group instruction.

*Big Things for Little People.*

## The Covenant Difference

Covenant Kids Preschool provides children with a nurturing environment fostered by small class sizes and a caring staff. Students are encouraged to develop their self-confidence through inquiry based learning and exploration.

Children are provided with the opportunity to grow their social skills, develop problem solving abilities, and acquire conflict resolution strategies. Our goal is to foster a LOVE of learning in these formative years.

## Academic Achievement

Kindergarten readiness is our objective!

Learning is developmentally appropriate. Each class builds on the previous one. Our preschool has a special relationship with the local elementary school. Pre-K students take a field trip every spring to visit and tour the school. The field trip allows students to experience one day in the life of a kindergartener.

*A fun visit with firefighters!*

---

*“We love Covenant Church Preschool. My daughter looks forward to school every day. She loves speaking to Ms. Nichole each morning on her way in the building, as she practically runs to get to her classroom. Her teachers, Ms. Olivia, Ms. Karen, and Ms. Laura love the students and always have fun and educational activities for them. I feel completely confident in dropping my daughter off each morning, and I recommend Covenant Church Preschool to everyone!”*

*- Alison T, a preschool parent*

Every month we have special guests in our program. The guests help us learn about our community and are a vital part of our learning experience.

Children delight in seeing the new faces and discovering new things. These are just sampling of some of the friends we have enjoyed a visit from:

- High Point Police Department
- High Point Fire Department
- The Magical Storyteller, Mark Daniels
- Creature Teacher
- Dental Hygienists
- The Cat In The Hat
